Members present- Dwight Egerter, Lucas Blair, Rick Day, Eric Knoespel, Pat Steed, Al Johnson.

Old Business

The bike show was attended by a few of us and a discussion followed on what constituted a "good show". Overall, the show seemed upbeat with a few new road legal models which seemed to gain a fair amount of weight in this conversion. Also, there were some new manufacturers with their models to show. If you want to ride a scooter, the selection is almost endless.

There was a meeting held about the Hare Scramble Series with progress made in a number of areas including standardizing the start and identifying riders.

New Business

Luca Blair, has set up a Facebook entry in memory of Dave Armstrong. Please go to: www.facebook.com and search on: "in memory of dave armstrong" without the quotes and with the network set to global. Please add any pictures that you have of Dave.

There have been some discussions about HORRA helping to set up the "Gold Fund" into separate entity with a governing body and hopefully registered as a Charity. If you would like to help out by being part of a committee involved in this, please let me know.

The **Annual General Meeting** will be held on Monday January 14th. The agenda will consist of various reports including financial and the president's report. We will also elect five Directors to serve in 2008. Three of the existing Directors have indicated that they are interested in continuing. They are John Trinkwon, Stephen Van Klink and Dennis Lever. So we need at least two more members to show an interest in becoming a Director.

You will need to be a paid member to vote at the meeting. You can either join through the OFTR website or at the December or January meeting.

We will also be looking for a new Newsletter Editor. This is my last edition.

Please let me know if you would be interested in taking on this task.

Dates for Future HORRA Events:

The next meeting will be on January 14th . This will be our Annual General Meeting.
