Old Business

A big thanks to all those that helped out with the Terra Nova especially Don Nevett, John Trinkwon and Bob Turnbull. It was another very successful HORRA event.

OFTR - John Trinkwon and Rick Day attended the OFTR President's Council meeting on the weekend. Many topics were discussed and a very full agenda was covered. More info will be coming out about these meetings but here are some of the highlights:

- You can now join the OFTR on-line with Paypal
- The total cost is \$80. \$50 goes to the OFTR and 30 goes to the club of your choice (I hope that club is HORRA!)
- Under 18 riders are free with an Adult member
- Standardized arrowing is proposed for 2008 trail rides
- On-line entry for trail rides and prizes for those entering on-line will be available

The OFTR is also asking everyone who volunteered at events to enter the hours they spent using the link on our Website www.horra.ca under News. The OFTR wants to be able to show how committed we are to our sport and how much time is spent furthering its objectives.

New Business

The Annual General Meeting will be held on Monday January 14th. The agenda will consist of various reports including financial and the president's report. We will also elect five Directors to serve in 2008. Three of the existing Directors have indicated that they are interested in continuing. They are John Trinkwon, Stephen Van Klink and Dennis Lever.

You will need to be a paid member to vote at the meeting. You can either join through the OFTR website or at the December or January meeting.

We will also be looking for a new Newsletter Editor. Please let me know if you would be interested in this task.

John Hiemstra will be attending the CMA AGM. If you would like John to vote on your behalf, please let him know at johnhiemstra@rogers.com You will need to get your proxy form to him.

Dates for Future HORRA Events:

The next meeting will be on December 10th.
