### Old Business

**The Cord** - The Enduro was well attended with almost twice as many riders as last year. According to Rick Day it was the "best Cord in over 20 years, Blair made excellent decisions!" Kudos to all the organizers and workers.

The Trail Ride was a fun time for all but also a little more than advertised. Seems more than a few riders missed an arrow in the afternoon and ended up riding about 100km of the Sunday Enduro course. The look on their faces when they got back to the start was "priceless".

The GPS Adventure ride was also an excellent event and will likely become a feature of future Cord weekends.

**Great Pine** - The weather was perfect, it rained just before the event and it was easier than last year. Lots of compliments to all involved.

**Jim Kelly Ride** - We received a very nice letter from the Heart and Stroke Foundation of Ontario Barrie office thanking us for our continued support of their work. We should all feel good about this on-going commitment to a very worthy cause and the recognition of our efforts.

### New Business

The Terra Nova planning is well underway with Don Nevett, John Trinkwon and Bob Turnbull working on some new areas. It seems that continual logging in some of these areas means that there is lots of cleanup to do. If you can help, please give John Trinkwon (905-702-9027) or Don Nevett (519-941-5815) a call.

Dates for Future HORRA Events:

Terra Nova checker and pre/sweep rider meeting at Artcast Thurs October 11.

The next meeting will be on November 12<sup>th</sup>.

Upcoming dates are: Terra Nova October 14 .
