Old Business

Hare Scramble- Great comments were received and thanks to Bill Fitkowski, Pictures are available at:

We had lots of helpers, thank you everyone! The event itself was a little tougher than last year and one broken collar bone seemed to be the biggest setback. We had 120 riders and Jake Stapleton won the Pro class. It seems that Jake moving to Canada and Parry Sound in particular is going to move the overall level of competition up a notch or two. Good for everyone involved.

Calabogie Boogie- Very well run this year. Options were well described, trails were excellent and the weather was great too.

Rally Connex ran their Weekend Getaway ride starting at Tractor Turf and Trail in Orangeville. The event was well attended and everyone had a great time. If you have never ridden one of these ~700km events, you owe it to yourself to give it a try.

New Business

There will be an auction at Armstrong's garage on September 15, 2007 at 10am. This will be mostly automotive items and tools as all the bike stuff has been dealt with. More details and a list of what will be sold can be found at the Reinharts Auction site:

<http://www.reinhartauctions.com/upcomingauctions.asp>

The Terra Nova planning is well underway with Don Nevett, John Trinkwon and Bob Turnbull working on some new areas. Al Johnson will be co-ordinating a special "Vintage" class to honour the 50th anniversary. 1000 entry forms for the event will be distributed with Inside Motorcycles and an ad is running in the New England Trail Rider magazine.

If you don't already have a job for the Terra Nova and would like to help out with arrowing etc. one of the sections or work at a checkpoint, please let me know.

The Cord will also host an ISDE reunion and trail ride. Green plate bikes will be able to compete in the enduro and some rule changes for the event will make it easier to handle timekeeping. For more info go to www.isde.ca There will also be a trail ride and a GPS adventure ride on Saturday for those who are not competing.

Dates for Future HORRA Events:

The October meeting will be one week early on October 1st so that we can meet before the Terra Nova and avoid Thanksgiving.

Upcoming dates are: Terra Nova October 14 .
